11	That Officers explore options for funding through appropriate bodies such as the regional improvement partnership, WRAP, DEFRA, etc to deliver the waste awareness and education strategy.	J McCann	Ongoing	Despite reviewing a range of different funding opportunities, there is very limited opportunities to obtain additional funding streams. WRAP funding has been scaled down although we are working with RIEP (Regional Improvement and Efficiency Partnership) are working collaboratively to improve a range of factors including Waste awareness, education and communication across the North East. We did submit a bid to WRAP for £800k for a weekly food waste collection although this was unsuccessful	2- On Track	Unfortunately, available funding streams are limited and all potential funding options have been exhausted at the moment. We will continue to maintain contacts with all funding bodies in order to ensure that we are in the best possible position to successfully bid for additional funding when the current funding situation improves.	2 – On track
12	That there is a review of the impact of the extended recycling scheme six months from its introduction to inform a Cabinet decision on any further changes to collection frequencies or other changes that may be necessary.	J McCann	Spring 2010	Initial analysis has been ongoing following the introduction of phases 1 and 2 in terms of tonnages and the impact upon residual waste output. We have now introduced phases 3 which will allow a full range of data in relation to all properties in the Borough – a full report will be drafted in April 2010	2 – On track	Full analysis report is currently being produced and will be presented to Cabinet in September 2010.	2- On Track
