12	That there is a review of the impact of the extended recycling scheme six months from its introduction to inform a Cabinet decision on any further changes to collection frequencies or other changes that may be necessary.	J McCann	Spring 2008	Full analysis report will be presented at Cabinet October 2010	2 – On Track	Final analysis report to be presented to Cabinet in January 2011	2 – On Track
14	That the Tees Valley Directors of Environment undertake a review into the developing options for dealing with food waste including a review into the operational and financial impacts of using appropriate new technologies. (The Select Committee wishes to offer support to this in any way it can and requests regular feedback on developments.)	J McCann	2009 - 2012	This recommendation remains as outstanding and will do for the foreseeable future due to lack of disposal facilities and financial constraints. It will continue to appear in the SIP for Direct services to pick and move forward as and when suitable circumstances prevail. This recommendation is also reflected in the Tees Valley Waste Management Strategy	2 – On Track	No further update	2 – On Track
