

SCRUTINY REVIEW OF AFFORDABLE WARMTH

Summary

The Committee is presented with a summary of the evidence they have received during the Scrutiny Review of Affordable Warmth in order to formulate draft recommendations.

Detail

1. In April 2012 the Environment Select Committee agreed the scope for their Scrutiny Review of Affordable Warmth and has been gathering evidence on the issues involved. Members have received information regarding energy efficiency of housing stock, fuel poverty, the effects that living in cold conditions has on health, and affordable warmth/energy efficiency schemes. This evidence has been received from:
 - Environmental Policy
 - Private Sector Housing
 - Go Warm
 - NHS Stockton
 - Tristar and other registered housing providers
 - Stockton & District Advice & Information Services.
2. A summary of evidence received throughout the review is attached at **appendix 1**. Members are asked to assess the evidence received and consider options for draft recommendations.
3. A draft report and draft recommendations will be prepared following the meeting, and will be presented to the Committee on 26 November for final agreement.
