	<p>Standards.</p> <ul style="list-style-type: none"> Encourage Registered Providers, by working in partnership with them, to incorporate targeted fuel poverty/energy efficiency measures into their repairs and renewals programme. Also that the programme is focussed on LSOAs/wards with the highest levels of fuel poverty and deprivation (as rated by IMD). 	<p><i>Stockton BC WHHP project team, in partnership with iChoors, Five Lamps and SDAIS.</i></p> <p><i>Stockton BC – Warm Homes Healthy People Partnership</i></p> <p><i>Stockton on Tees BC – Private Sector Housing Division.</i></p>	<p><i>Oct 2012 – March 2013 + future winter campaigns if successful</i></p> <p><i>Jan 2013 – Mar 2016</i></p>				

Progress Update – Review of Affordable Warmth

No	Recommendation	Responsibility	Anticipated Completion Date	Progress Update 11/11/2013	11/11/2013 Assessment of progress (Categories 1-4)	Q3&4 Progress Update Presented to Committee on 03/06/2014	Q3&4 Assessment of progress (Categories 1-4)
2	In order to achieve these objectives, a plan be developed to deliver the strategy.	<i>As above</i>	<i>As above</i>	As above	2 On track	As above	2 On track
3	All routes of funding are explored on an ongoing basis. This should include a dialogue with Stockton Clinical Commissioning Group (CCG) over potential funding options and presenting year ROI/savings models along with other related health outcomes arising from fuel poverty measures on an ongoing basis for funding consideration.	<i>Stockton on Tees Fuel Poverty Partnership</i>	<i>31/3/14</i>	Warm Homes Healthy People partnership funded for Autumn/Winter campaign 2013 by funding from Public Health. Discussions taking place with CCGs over possible future funding. WHHP evaluation report shows ROI benefits.	2 On track	Warm Homes Healthy People project likely to be funded for Autumn/Winter campaign 2014 by funding from Public Health. Discussions taking place with CCGs over possible future funding.	2 On track
4	SBC and delivery partners should investigate funding mechanisms potentially available to support Green Deal 'loan' deals including local authority and RP funds, CCG funding.	<i>Stockton BC – Technical Services</i>	<i>Jan 2013 – Dec 2013</i>	Major housing investment in private sector underway via new partnership with GoWarm and funded by Eon under national Green Deal Energy Company Obligation. This continues the external wall insulation work from the previous CESP scheme, and will enable potentially up to 5,000 solid wall properties to benefit. Registered Providers also have schemes underway via a similar route.	2 On track	No Council involvement yet in Green Deal loan scheme to private householders as commercial models are already in place, however all options remain under consideration.	2 On track

				No Council involvement yet in Green Deal loan scheme to private householders as commercial models are already in place, however all options remain under consideration.			
5	SBC should develop strategies to enable promotion and delivery of Green Deal schemes designed at tackling fuel poverty to reach fuel poor households outside the qualifying Energy Company Obligation (ECO) LSOAs. SBC should utilise the brand the Council to promote such opportunities to individual householders.	<i>Stockton BC – Technical Services with delivery partner</i>	<i>Jan 2013 – Dec 2013</i>	Other than The Energy Company Obligation partnership above, there is no Council involvement yet in Green Deal loan scheme to private householders as commercial models are already in place, however all options remain under consideration if Green Deal scheme is seen to be failing. A study of uptake by fuel poor households can be undertaken via the Fuel Poverty Partnership to determine gaps in provision.	2 On track	Other than The Energy Company Obligation partnership above, there is no Council involvement yet in Green Deal loan scheme to private householders as commercial models are already in place, however all options remain under consideration if Green Deal scheme is seen to be failing.	2 On track
7	In addition to the regular local reporting process of the Affordable Warmth Strategy and Delivery Plan, the information and progress on this Delivery Plan be reported nationally via the Home Energy Conservation Act reporting process and Climate Local (Local Government Association mechanism for public reporting).	<i>Stockton BC – Technical Services</i>	<i>31/03/13</i> <i>Oct 2013</i>	HECA report for March 2013 submitted to DECC. Adoption of Climate Local reporting framework to be included in forthcoming report to Cabinet	2 On track	HECA reports not due until March 2015. Climate Local submission currently being prepared.	2 On track
