

Environment & Regeneration Select Committee

Review of Street Lighting

Update to Executive Scrutiny Committee – 1 August 2006

Update on Progress (including issues/problems/successes)

The Committee took evidence from SNC Engineering and Transport relating to columns and lamps on 3 July. A meeting has been arranged for 24 July to discuss, which will be attended by the following witnesses:

- NEPO – to discuss issues relating to energy purchasing
- NEDL/IUS – to discuss issues relating to repairs and maintenance performance
- SBC Engineering and Transport Division – to discuss issues relating to the (Websters) partnership contract

A further meeting has been arranged to take place on 22 August, to which Middlesbrough Council and SBC Regeneration Division will be invited. This meeting will cover comparative funding issues.

Timescale for Review

The timescale for the review has remained unchanged, with the final report due for Cabinet submission on 4 January 2007.
