

Environment & Regeneration Select Committee

Review of Street Lighting

Update to Executive Scrutiny Committee – 26 September 2006

Update on Progress (including issues/problems/successes)

Following a Select Committee meeting, Members identified a further area for investigation, and have agreed to take evidence in relation to this issue at the next Committee meeting.

Committee should be in a position to begin considering findings and recommendations following this meeting

Timescale for Review

The timescale for the review has not altered, and the final report is now due for Cabinet submission on 4 January 2007.
