It has been agreed that Caroline Wood (Housing Options) will produce a skeleton CBL policy setting out the statutory requirements together with the options where the Committee can exercise discretion; alongside this, Tristar are to produce options for the delivery of a future policy. The Committee will use both pieces of work when formulating recommendations. Tristar are also taking the lead with early consultation efforts and the results will be fed to the committee.

A mid-review tri-partite meeting has been held on 4 January to evaluate progress so far; the way forward for the review was endorsed.

##### **Timescale for Review**

The meeting on 11 January has been re-scheduled for 1 February in order for the policy and implementation options to be developed.

The review is on schedule with a view to the final report being presented to Cabinet in March 2007.
