

Housing and Community Safety Select Committee

Review of the Development of Choice Based Lettings (CBL)

Update to Executive Scrutiny Committee – 20 February 2007

Update on Progress (including issues/problems/successes)

After examining the options available and evidence received, the Committee have made decisions on what they would like to see in a future Choice Based Lettings policy for Stockton-on-Tees.

The Committee will now be examining the options for delivering the policy, and whether it should be implemented as part of a Tees Valley sub-regional scheme.

The Cabinet Member for Housing attended the last meeting and has been invited to the next.

Timescale for Review

The work on delivery options will now go to the Committee on 15 February instead of 1 February; the review remains on schedule with a view to the final report being presented to Cabinet on 15 March 2007. An extra meeting has been scheduled for 2 March in order to help facilitate this.
