RECOMMENDATIONS

Executive Scrutiny Committee are asked to consider the request from Cabinet to include the Strategy in the Select Committee work programme and consider whether this could be undertaken by the Regeneration and Transport Select Committee as their second review topic in the current year.

DETAIL

1. On 2 August 2007 Cabinet received a report seeking approval of the Sustainable School Travel Strategy 2008. A copy of the Cabinet report and relevant minute is attached at Annex A. Cabinet also asked that the Strategy be referred to Executive Scrutiny Committee for consideration and possible inclusion in the Select Committee work programme.

2. The Regeneration and Transport Select Committee are currently undertaking a review of Employability but no second review topic has been identified for the current year. One option could be for this topic to be the second review to be undertaken by this Committee.
