

Adult, Health and Social Care Select Committee

Update to Executive Scrutiny Committee – 17 September 2007

Review of Alcohol Services

Update on Progress (including issues/problems/successes)

The Committee has met with the Regional Director of Public Health, the Regional Health Inclusion Manager and the Assistant Director of Programmes at the North East Public Health Observatory as well as local public health representatives to get an overview of service provision.

The Committee has taken evidence from representatives of preventative and primary care services and has arranged future meetings thematically. The Committee is next to meet representatives from North Tees Hospital and Tees, Esk and Wear Valleys NHS Trust to determine secondary/tertiary service level provision. Evidence will then be taken from a variety of voluntary and community groups in the borough.

Timescale for Review

The timescale of the review is on track and will report to Cabinet on 20th December.
