REFERRAL FROM CABINET – REVIEW OF PARKVIEW CARE HOME

SUMMARY

To present a referral from Cabinet for the review of Parkview Care Home to be included in the scrutiny work programme of the Adult Services and Health Select Committee.

RECOMMENDATIONS

Executive Scrutiny Committee is asked to consider the request from Cabinet to include the review of Parkview Care Home as the second review topic of the Adult Services and Health Select Committee in the current municipal year.

DETAIL

1. On 20 December 2007 Cabinet received a report on the future of Parkview Care Home. A copy of the Cabinet report and relevant minute is attached at Annex A. Cabinet agreed that this issue be referred to the Adult Services and Health Select Committee to ask them to take forward a time limited piece of work to determine:

- The national and local policy framework around services for older people
- The factual issues around Parkview Care Home focusing particularly on the building, occupancy, care standards, financial information and staffing

Cabinet have requested that the Select Committee seek and analyse information and feedback the results of their findings to Cabinet in March 2008.

2. This review would replace the Select Committee's review of Audiology as the second review topic for 2007/08.

FINANCIAL AND LEGAL IMPLICATIONS

3. There are no direct financial or legal implications.
