Update to Executive Scrutiny Committee – 1 April 2008

Next Review

The subject for the next review will be identified at the Scrutiny Liaison Forum Meeting on Tuesday, 25th March.

Other Work

Initial discussions for the First Phase Section 244 Consultation Committee that is being set up with other local authorities to respond to the NHS plans for a new hospital north of the River Tees will be held on Wednesday, 26th March. Durham County, Hartlepool Borough, North Yorkshire County and Stockton-on-Tees Borough Councils will be represented on the Consultation Committee. The first meeting will determine the composition of the committee and the arrangements for the meetings that will take place between June and September.

The Committee continues to be updated about the development of a Local Involvement Network (LINK). Procurement of the Host organisation for the LINK is still expected to be scrutinised.
