Review of Tees Active

Update to Executive Scrutiny Committee – 30 September 2008

Update on Progress (including issues/problems/successes)

At the meeting on 10 September, the Committee received a financial breakdown of the Council's contributions to Tees Active, and heard evidence from Judith Rasmussen, Regional Director of Sport England. The meeting was held at Thornaby Pavilion Leisure Centre.

The Committee will be meeting on 22 October in order to receive evidence from Jean Lourdon, Executive Director of Tees Valley Sport.

Timescale for Review

As reported at the previous meeting of Executive Scrutiny, the review of Tees Active is now scheduled to report to the Cabinet meeting in January. This is in order for the Committee to be able to receive the results of the Tees Active Staff Survey during the time period of the review.
