

Children and Young People Select Committee

Update to Executive Scrutiny Committee – 24 March 2009

Review of Obesity

Update on Progress (including issues/problems/successes)

The forty recommendations were accepted by Cabinet on 5th February and will now be presented at the PCT Board meeting on 26th March.

An action plan will be presented to the Committee on 27th May 2009.

Monitoring

The Committee used its final meeting of this municipal year (11th February) to receive monitoring reports for outstanding recommendations from the following reviews:

- Youth Service
- Teenage Pregnancy
- Bullying
- Corporate Parenting
- School Organisation Plan

The Committee agreed that the monitoring of the Youth Service review, which still had outstanding recommendations, be suspended as a departmental review was underway that would feed its results back to the Committee.

The Corporate Parenting and School Organisation Plans were both fully completed and require no further monitoring.
