

Environment Select Committee

Update to Executive Scrutiny Committee – 10 June 2009

Review of Animal Welfare Service and Dog Fouling

Update on Progress (including issues/problems/successes)

An action plan was presented to the Committee at its meeting on 1st June 2009.

Review of Carbon Management

A tripartite meeting was held on 11th May and the select committee met on 1st June to agree the scope and project milestones. Although not an EIT Review topic the committee will apply the structure of its review in a similar way and so will consider baseline information and begin its challenge process.

Efficiencies and improvements being considered for this review include:

- Determining the feasibility of a council wide energy / carbon budget
- Identifying taxation costs and benefits
- Analysing investing for the future opportunities (i.e. new build vs refurbishment; IT; renewable energy)

Monitoring Updates

The Committee received update reports at its meeting on 1st June for the following reviews:

- Cemeteries and Memorials Phases 1&2
- Rats and Pigeons
- Customer First
- Waste Management
