

## **Regeneration and Transport Select Committee**

### **Update to Executive Scrutiny Committee – 10 June 2009**

#### **Review of Commissioning and Provision of Public and Community Transport**

##### **Update on Progress (including issues/problems/successes)**

The Committee agreed the scope and project plan for the EIT review on Commissioning and Provision of Public and Community Transport at the meeting on 3<sup>rd</sup> June. The review will be focussing on concessionary fares, bus contracts, community transport, dial-a-ride, and school and adult day care services.

Initial baseline information for the review was received at the meeting, along with an overview of the Local Transport Bill.

##### **Timescale for review**

The review is scheduled to report to Cabinet in October 2009.

##### **Monitoring**

The initial progress report for the Employability review was presented at the meeting of the Committee. Quarterly Monitoring Updates for Sustainable School Travel and Street Lighting were also presented. A number of recommendations for these reviews remain incomplete and a further update will be given in the next quarter.
