(Both available www.opsi.gov.uk)	Key Decision N/A

Description of Matter/ Decision Required	Responsible Officer	Portfolio Leader	Identity of Decision-Taker (eg Cabinet or Officer or Joint Arrangement)	May	June	July	August	September	October	November	December	January	February	March	April	May	Principal Consultees	Method of Consultation	How Interested Parties may submit representations to decision-takers and end date for representations	Reports and background papers submitted to decision-taker for consideration	Notes/ Comments
The Core Strategy will set out the strategic vision for meeting known and anticipated waste management requirements until 2021 and mineral working requirements until 2021 and will show broad locations where development may happen. The Site Allocations DPD will set out specific site allocations for minerals and waste activity across the Tees Valley and the provision of policies to determine applications for minerals and waste activity in the Borough.																	once all five Tees Valley authorities have approved the document for consultation purposes. A statutory notice will be placed in the Evening Gazette and everyone who has registered their interest in the Local Development Framework by asking to be included on our consultation database will be notified by their preferred means; letter, e-mail, text. Copies of the documents will be available on the Spatial Planning website. Hard copies will be placed in all public libraries in the Borough and in Council offices open to the public including	Cabinet on 12th April 2007) and Preferred Options (endorsed by Cabinet on 17th January 2008). At Issues and Options there were 29 respondents and at Preferred Options Stage, there were 36 respondents. For Stockton the main issues were the allocation of Stockton Quarry for sand and gravel extraction and the proposal of sites for waste facilities at Haverton Hill (extension of existing SITA facility), Bowesfield (recycling) Billingham Anhydrite Mines (hazardous waste) Port Clarence (hazardous waste.		PPS 10 Planning for Sustainable Waste Management . MPS1 Planning and Minerals. (www.communities.gov.uk) Previous versions of the documents Issues and Options Report and Preferred Options were approved by Cabinet for consultation purposes on 12th April 2007 and on 17th January 2008 respectively. Copies are available from Rosemary Young ext 6054 or to view on Spatial Planning website. A number of background studies have informed the contents of the document(s) and are listed in	

Description of Matter/ Decision Required	Responsible Officer	Portfolio Leader	Identity of Decision-Taker (eg Cabinet or Officer or Joint Arrangement)	May	June	July	August	September	October	November	December	January	February	March	April	May	Principal Consultees	Method of Consultation	How Interested Parties may submit representations to decision-takers and end date for representations	Reports and background papers submitted to decision-taker for consideration	Notes/ Comments
2] To endorse the recommendations of the Greater North Shore Study and to adopt the draft policies contained in section 11 and the design principles contained in section 12 as interim policy guidance for the area pending the the adoption of policies in the Regeneration DPD and an associated Supplementary Planning Document.	Corporate Director of DNS	Councillor Bob Cook - Cabinet Member for Regeneration & Transport	Cabinet/Council		■												Local residents Local employers/businesses Planning Committee	The Greater North Shore Study has been the subject of extensive public consultation in its preparation. The study will be referred to Planning Committee.	There are no further proposals for public consultation. Comments may be submitted to Spatial Planning Manager by e-mail to rosemary.young@stockton.gov.uk or by telephone on 01642 526054 by end April 2009		Key Decision N/A
Tees Valley Regeneration commissioned consultants to undertake a study to assess the development potential of the Greater North Shore area and to ensure that any development there, complemented proposals for the North Shore site itself. This report informs members of the findings of that study and requests that they endorse the findings as interim policy guidance pending the development of a statutory planning framework through the Local Development Framework's Regeneration Development Plan Document.
