

Regeneration and Transport Select Committee

Update to Executive Scrutiny Committee – 28 July 2009

Review of Commissioning and Provision of Public and Community Transport

Update on Progress (including issues/problems/successes)

The Committee received detailed baseline information for the EIT review on Commissioning and Provision of Public and Community Transport at the meeting on 20th July. The review will be focussing on concessionary fares, bus contracts, community transport, dial-a-ride, and school and adult day care services.

Timescale for review

The review is scheduled to report to Cabinet in October 2009.

Monitoring

Action plans were received for both the Highways Network Management Scrutiny Review and Pavement Parking Scrutiny Review, outline how the recommendations from the reviews would be implemented. The initial progress update will be received on the action plans will be received in six months time.
