

Environment Select Committee

Update to Executive Scrutiny Committee – 22 September 2009

Review of Carbon Management

Update on Progress (including issues/problems/successes)

The Committee has received all the planned evidence for this review and has agreed a draft report.

A tripartite meeting was held on 3rd September at which the draft recommendations were accepted by the Cabinet Member.

The report is being updated to include the recommendations and will receive the committee's final agreement at its meeting on 5th October.

The report will be presented to Cabinet on 29th October.

Next Review

The topic of the next Environment Select Committee is still to be determined.

Monitoring Report Updates

The Committee will be receiving updates for recommendations from its reviews of rats and pigeons, and waste management on 5th October.

The Committee will then receive updates for recommendations from its reviews of cemeteries, and animal welfare on 16th November.
