

## **Environment Select Committee**

### **Update to Executive Scrutiny Committee – 17 November 2009**

#### **Review of Carbon Management**

##### **Update on Progress (including issues/problems/successes)**

The final report was updated to include the recommendations and received the committee's final agreement at its meeting on 5<sup>th</sup> October. Further discussion took place with senior officers and a meeting was held on 9<sup>th</sup> November to agree amended wording to recommendations.

The report will be presented to Cabinet on 26<sup>th</sup> November.

##### **Next Review**

The topic of the next Environment Select Committee is still to be determined.

##### **Overview Meeting**

The Committee will meet the Cabinet Member, Corporate Director and Heads of Service to receive an overview of the environment service on 2<sup>nd</sup> December.

The meeting aims to give members a summary of the services that report to the Committee and highlight current issues together with any relevant supporting performance information including:

- An overview of the services reporting to the Committee
- What has been achieved
- What has proved more difficult
- Emerging issues

##### **Monitoring Report Updates**

The Committee received updates for recommendations from its reviews of cemeteries, and animal welfare on 16<sup>th</sup> November.
