

Environment Select Committee

Update to Executive Scrutiny Committee – 15 December 2009

Review of Carbon Management

Update on Progress (including issues/problems/successes)

The report was presented to Cabinet on 26th November.

Next Review

The topic of the next Environment Select Committee is still to be determined.

Overview Meeting

The Committee met with the Cabinet Member, Corporate Director and Heads of Service to receive an overview of the environment service on 2nd December.

The meeting gave members a summary of the services that report to the Committee and highlight current issues together with any relevant supporting performance information including:

- An overview of the services reporting to the Committee
- What has been achieved
- What has proved more difficult
- Emerging issues
