

Regeneration and Transport Select Committee

Update to Executive Scrutiny Committee – 5 January 2010

Review of Commissioning and Provision of Public and Community Transport

Update on Progress (including issues/problems/successes)

The Committee has concluded its review of the Commissioning and Provision of Public and Community Transport and all the review recommendations were approved by Cabinet on 26 November 2009.

Other work

The next scheduled meeting is due to be held on 11 January, when the Committee will receive an overview of the services reporting to them. This will include details of what has been achieved, what has proved more difficult, any emerging issues and performance information.

Monitoring

Quarterly monitoring reports are scheduled to be received by the Committee at the February meeting.
