

Environment Select Committee

Update to Executive Scrutiny Committee – 30 March 2010

Review of Carbon Management

Update on Progress (including issues/problems/successes)

An action plan was presented to the Committee at its meeting on 29th March 2010.

Next Review

The topic of the next Environment Select Committee is the Built and Natural Environment. The scope and project plan is being developed in order for the review to examine the policies and services that are designed to protect the public interest in the local area and general health and well being by providing attractive, clean, green and safe surroundings.

Monitoring Updates

The Committee at its next meeting on 15th February 2010 received updates for its reviews of Cemeteries, Customer First, and Animal Welfare / Dog Fouling. A number of questions were raised which were reported on at the committee meeting on 29th March 2010.
