EIT Review of Youth Service Provision

Update on Progress (including issues/problems/successes)

At the meeting of 14 April, the Committee considered a number of issues at the first meeting of the review. A detailed pack of information in relation to the provision of youth services was provided, and plans are being made for Members to undertake site visits to Youth Clubs in the Borough. Members also considered plans to consult with young people as part of the review. The Committee was attended by approximately 20 young people, who were able to provide valuable input into the consultation proposals.

The Head of the Regional Youth Unit is scheduled to attend the next meeting of the Committee.

Monitoring Updates

The Committee is scheduled to receive the Action Plan for the Child Placements Review at the meeting of 19 May, together with progress updates on the reviews of Bullying and Obesity.
