

Environment Select Committee

Update to Executive Scrutiny Committee – 4 May 2010

Review of Built and Natural Environment Update on Progress (including issues/problems/successes)

The Environment Select Committee had an initial discussion with Richard McGuckin (Lead Officer) at its meeting on 29th March to begin to outline the scope and timescale for this review.

A tripartite meeting has been set for Monday, 10th May.

The Committee next meet on Monday, 17th May.

Monitoring Updates

At its next meeting the Committee will receive updates for its reviews of Wastes Management and Recycling, and Customer First.
