

## **Corporate, Adult Services and Social Inclusion Select Committee**

### **Update to Executive Scrutiny Committee – 4 January 2011**

#### **EIT Review of School Catering**

##### **Update on Progress (including issues/problems/successes)**

Members were presented with a summary of the evidence received during the course of the review at the meeting held on 21 December. The summary also outlined the savings that could be achieved for the following options:

- Review of labour guide scales
- Reducing 'added value' work
- Increasing price of school meals to £1.95 in September 2011

The committee agreed these as the recommendation to Cabinet to be submitted in February.

In addition, as part of the negotiations for SLA for school catering to start in 2012/13, officers will be discussing with schools options such as service development and increasing uptake to reduce the resource allocation subsidy further.

##### **EIT Task and Finish Reviews**

Members received the final report and recommendations for the officer led EIT Task and Finish Reviews of Customer Services and Taxation and Human Resources at the meeting held on 7 December. The Committee supported the recommendations, and their comments were attached to the reports presented to Cabinet on 16 December.

##### **Monitoring Updates**

The Committee will receive quarterly monitoring updates on 18 January.
