Cllr Cains declared a personal/non prejudicial interest in relation to Agenda Item No. 4 EIT Review of School Catering further to being a School Governor.

EXC 48/10 Draft Minutes - 16th November 2010, 30th November 2010, 4th January 2011

The minutes of the meetings held on 16th November 2010, 30th November 2010 and 4th January 2011 were agreed as a correct record.

EXC 49/10 EIT Review of School Catering Final Report

Members were provided with the final report for the EIT Review of School Catering.

The Chairman was in attendance and highlighted the report.

Members expressed the importance of ensuring that children that were eligible for free school meals were unable to be identified by other pupils.

Members queried whether the price of an adult school meal could be increased as it was currently the same price as a child's meal. It was stated that Officers would still be continuing to find alternative methods to make savings.

Members requested that Schools be encouraged to consider using the School Catering Service instead of private providers.

RESOLVED that the final report be forward to Cabinet.

EXC 50/10 NHS Stockton on Tees/Health Select Committee Working Agreement

As part of the continuing need to have extensive public, patient and stakeholder engagement in the delivery and design of local health services, the Health Select Committee had established a productive working relationship with

Stockton's Primary Care Trust (NHS Stockton-on-Tees) over the previous years.

In an attempt to formalise this relationship, it was proposed to adopt a Working Agreement that sets out the principles of co-operation, and the methods of communication to be used. Similar protocols were being developed for the other three local authorities covered by NHS Tees as a whole (Hartlepool, Middlesbrough, Redcar and Cleveland).

Health Select Committee considered and endorsed the protocol at their meeting on 10 January 2011.

RESOLVED that the protocol be endorsed and recommended to Council for approval.

EXC 51/10 Quarterly Progress Updates on Previously Agreed Recommendations

Members were asked to consider the assessments of progress contained within the Progress Updates on the implementation of previously agreed recommendations from the EIT Reporting In Reviews of Advice and Information, Commercial Trading, and Domestic Violence.

Members held discussion on the progress of the Advice and Information EIT review. Members had attended the soft launch of the directory of advice and information providers at the 'Are you being Served Event' and felt that the E-Directory had not been well received by the elderly and questioned whether people had been consulted on how they would use such a directory. The Scrutiny Team Leader would report back to Members.

RESOLVED that the quarterly progress updates on previously agreed recommendations be noted.

EXC 52/10 Select Committee Work Programme

Over the past two years the Scrutiny work programme had focused on providing support to the Council's Efficiency, Improvement and Transformation (EIT) programme with Member involvement in all reviews.

All reviews for Years 1 and 2 would be completed by the end of the 2010/11 municipal year with the exception of the following topics:

- Children and Young Peoples Assessment/ Field Work
- Mental Health and Learning Disability

At the previous Executive Scrutiny Committee the review of Mental Health and Learning Disability was allocated to Health Select Committee to agree a scope for review and undertake some preliminary work ahead of the May elections with work continuing into the 2011/12 municipal year. In addition, on 19 October, Executive Scrutiny Committee took a decision to expedite some Year 3 EIT reviews into the current year.

The Year 3 reviews had already been prioritised for scrutiny by the Scrutiny Liaison Forum and the number of reviews to be undertaken as part of Year 3, it was proposed that Executive Scrutiny Committee agree the work programme

without the need for a further meeting of the Scrutiny Liaison Forum. Whilst recognising the priority of the EIT programme, Executive Scrutiny Committee still retained the flexibility to review it in the light of any emerging issues within year.

In addition to the Year 3 reviews, Children and Young People Select Committee had been made aware that the current Officer Led Task and Finish Review of Connexions (reporting to Cabinet in February 2011) would form part of a bigger piece of work on Early Intervention Grants. It was proposed that this work continued to be led by Officer Task and Finish Group reporting at key stages to the Children and Young People Select Committee.

RESOLVED that the Work Programme be approved.

**EXC
53/10** **Forward Plan**

Members were provided with a copy of the Statutory Forward Plan for 1 February 2011 - 31 May 2011.

RESOLVED that the Forward Plan be noted.
