

## **Environment Select Committee**

### **Update to Executive Scrutiny Committee – 8 March 2011**

#### **Review of Built and Natural Environment Update on Progress (including issues/problems/successes)**

Following the final report being agreed at Cabinet in December, the Action Plan was presented to the committee at their meeting on 24 January 2011.

#### **Monitoring Updates**

The Committee received quarterly updates for the outstanding recommendations for its reviews of waste management, customer first, and carbon management. Members also received a presentation regarding the progress made on the reviews of cemeteries.
