

Children and Young People Select Committee

Update to Executive Scrutiny Committee – 20 December 2011

Update on Progress (including issues/problems/successes)

EIT Review of School Effectiveness

The Committee have received an introductory presentation on the services areas to be included within the scope of the School Effectiveness Review and approved the scope for the review.

The following services will be included:

- School Improvement
- Inclusion (including attendance and behaviour)
- Governor Support
- SICTU
- Education Centre Staffing
- Workforce Development (Children and Adult)
- Looked after Children in Education Team
- Redhill Returners Unit
- Specialist Learning Team

It is anticipated that transformation will deliver efficiencies and improvement through:

- Improved, fit for purpose staffing structures
- Aligned teams
- Cost recovery business planning
- Clarity of response to statutory responsibilities

The Committee are due to receive baseline information at their next meeting on 14 December 2011.

This review is scheduled to report to Cabinet in March.
