

Regeneration and Transport Select Committee
Update to Executive Scrutiny Committee – 31 January 2012

EIT Programme – Review of Regeneration and Economic Development

Update on Progress (including issues/problems/successes)

The Committee agreed its final report at the meeting of 14 November 2011.

Timescales

The review reported to Cabinet at the meeting of 1 December and the report was agreed.

The Action Plan was considered by the Committee at the meeting of 16 January.

EIT Task and Finish Review of Highways

The baseline information for this review was reported to the Committee on 14 November. The recommended options will be reported to Committee on 13 February.

The Committee considered: the type of work carried out by the highways team, service delivery of highway services, sources of funding, the highway inspection process, impact of reduced spend in relation to customer satisfaction, performance and insurance, and the investment required to further rollout dimmer switch technology on street lighting.

Other work

The Committee considered a more detailed presentation on the progress of the Events, Arts and Tourism EIT Review at the meeting of 5 December.
