

## **Environment Select Committee**

### **Update to Executive Scrutiny Committee – 27 March 2012**

#### **Update on Progress (including issues/problems/successes)**

##### **Quarterly Progress Updates on Previously Agreed Recommendations**

Members reviewed the progress on outstanding recommendations from the reviews of the Future of Cemeteries, Carbon Management, and Built and Natural Environment. The Committee requested further information on charges for Blue Badges and the Workwise programme before agreeing these recommendations as complete.

##### **Scrutiny Development Session**

The Committee received a refresh session on the key elements and stages of a scrutiny review in preparation for their next review, Affordable Warmth, which will begin in the next municipal year.

The scope and project plan for the review of Affordable Warmth will be presented to Committee on 30 April.

##### **Overview**

The annual overview of services within the Committee's remit will be presented to Members on 30 April.
