Update to Executive Scrutiny Committee – 26 March 2013

Update on Progress (including issues/problems/successes)

Review of Tobacco Control

The Committee met on 28 February to begin to formulate its recommendations.

The Committee also dealt with a referral regarding the Teesside Pension Fund investment in tobacco companies. It is being planned to invite the fund's Pensions and Investment Panel Chair and Vice-Chair, Administrators, Investment Advisors and Trade Unions to the committee meeting on 2 May to discuss this issue.

The review is likely to conclude on 13 June rather than the earlier proposed date in April.
