

## Progress Update – Review of Cycling on Pavements

No	Recommendation	Responsibility	Completion Date	Q3&4 Evidence of Progress Presented on 05/06/13	Q3&4 Assessment of progress (Categories 1-4)	Q1&2 Evidence of Progress Presented on 17/12/13	Q1&2 Assessment of progress (Categories 1-4)
2	Stockton Borough Council's Police Authority Representative makes representation to the Chief Constable to confirm the powers of Police Community Support Officers. Consideration should then be given to ensure that PCSOs have adequate powers to deal with cyclists who ride dangerously, carelessly, ignore traffic signs or signals, or cycle on the footway.	Head of Community Protection	30 September 2011	The Chief Constable has commented that the issue will be fed into the team looking at PCSO issues. Local Authorities will be contacted to see if there are any outstanding issues or thoughts regarding PCSOs before options are brought forward.	3 - Slipped	The Chief Constable's Staff Officer has confirmed, in a letter of 7 October 2013 to Cllr Norma Stephenson, that PCSOs have the power to issue Fixed Penalty Notices for cycling on a footway (or in a pedestrianised area), but only for that offence, and that there are no plans at national or local level to extend PCSO powers.	1 Fully achieved
