

Corporate and Social Inclusion Select Committee

Update to Executive Scrutiny Committee – 14 May 2014

Update on Progress (including issues/problems/successes)

Review of Street Café Furniture and A-Board Advertising

The main issues and overall aim of this review:

- The difficulties negotiating items of café furniture, A-Boards and shop goods on the highways for everyone but especially visually impaired people, mobility aid users, and those with pushchairs.
- To assess Stockton Council draft guidance that will regulate the use of private street furniture and shop goods

The Committee met local trader organisations and disability group representatives to get an understanding of the issues from two key groups on 7 May 2014.

Presentation of the final report with recommendations for approval to Cabinet is scheduled for 17 July 2014.

Other Work

The meeting on 23 July will consider the annual overview and performance information.
