

**People Select Committee**  
**Update to Executive Scrutiny Committee**  
**27 October 2015**

**Update on Progress (including issues/problems/successes)**

**Review of Choice Based Lettings (CBL)**

Members completed the review of CBL following the meeting in September, and the recommendations were agreed by Cabinet on 8 October.

The findings and recommendations can be found in the final report which is included elsewhere on this agenda.

The Committee is also due to consider Foetal Alcohol Spectrum Disorder (FASD) and the Pupil Premium.

**Welfare Reform**

The Committee continues to monitor the impact of welfare reform. In October Members were briefed on the roll out of Universal Credit by representatives of Department of Work and Pensions.

The committee also took the opportunity to consider the work of the Welfare Rights Team.

**Other Work**

The Committee examined the annual overview of culture and leisure services in October.

Members will consider the remaining overview reports relevant to its remit in November. This will cover the portfolios of Corporate, and Access and Communities.
