

People Select Committee
Update to Executive Scrutiny Committee
16 December 2015

Update on Progress (including issues/problems/successes)

Review of Choice Based Lettings

Following agreement at Cabinet, the Committee considered the action plan following this review at the meeting in December, and representatives of Thirteen Group attended.

Review of Foetal Alcohol Spectrum Disorder (FASD)

The Committee considered the scope for this review on 14 December. It is planned that the review will focus on awareness raising and prevention issues, including amongst the public and health and early years professional services.

Welfare Reform

Following the update on Universal Credit from Department for Work and Pensions in October, the Committee considered the Council's Welfare Reform monitoring report in December.
