NHS Updates / Consultations	
Key Issues / Problems or concerns	<p>Better Health Programme – This programme of acute services reconfiguration is now a key part of the local Sustainability and Transformation Plan (STP). STPs are in the process of being signed off nationally. Public consultation on options is now planned from June/July 2017.</p> <p>The statutory Joint Committee has been formed by all seven affected Authorities (including North Yorkshire) in order to consider and respond to the consultation. In advance of the formal consultation, the Committee will be reviewing the public feedback to date, plans for consultation, and the development of the options appraisal process.</p>
Requests for more information	<p>Better Health Programme- Workforce information was considered at the Joint Committee meeting in January. In March, the Committee will be seeking information on the level of local authority involvement in the development of proposals, and the plans for the public consultation process.</p>

Regional Health Committees	
Key Issues / Problems or concerns	<p>Tees Valley Committee – Middlesbrough Council are hosting during 2016-17. The meeting on 26 January received an update on the review of NHS funded respite care for people with learning disabilities. This is currently seeking views on current services. The Committee was also provided with information following its look at children and young people's mental health and wellbeing. This will be provided to the People Committee to inform their review.</p> <p>Regional Committee – There have been no further meetings since the last update.</p>
Requests for more information	<p>The Committee will be updated with the Vascular Surgery review and formal consultation is planned (it is not currently foreseen that this will affect patient flows for Stockton residents).</p>

Monitoring	
Key Issues / Problems or concerns	<p>The Action Plan for the Review of DoLS was considered and agreed at the January meeting.</p>
