|                                   | The statutory Joint Committee has been formed by all seven affected Authorities (including North Yorkshire) in order to consider and respond to the consultation. In advance of the formal consultation, the Committee will be reviewing the public feedback to date, plans for consultation, and the development of the options appraisal process. The Committee is now named the STP Joint Health Scrutiny Committee.  The Committee was informed that the planned consultation relating to major hospital changes was not now due to go ahead in 2018. The next meeting on 17 January followed up on these issues. Public communication is being prepared to outline next steps. |
