

Place Select Committee Chair's Update – October 2019

Scrutiny Review – Area Transport Strategy	
Achieved since last meeting	<p>The Committee meeting in September 2019 was scheduled to hear evidence from Local Authority representatives. However, in order to present a full and fair picture of the ATS, it was agreed that information in relation to all the review's key lines of enquiry should be brought to Committee at the same time. This would not be available until October 2019, therefore it was decided to stand down the September 2019 meeting.</p> <p>In the meantime, a survey for ATS stakeholders was circulated, with a return deadline set for the 4th October 2019.</p>
Problems or concerns	None.
Planned next month	<p>As noted above, the October 2019 meeting will involve a Local Authority response to all of the agreed key lines of enquiry. It is also the intention to seek further input from selected ATS stakeholders, including a Chair of an ATS group (Locality Forum).</p> <p>Committee Members will also consider responses to the ATS stakeholder survey.</p>
