Councillor Call for Action (CCfA) – Obstructive and Illegal Parking around Whitehouse Primary School	
Achieved since last meeting	<p>Following approval of this CCfA request at the Executive Scrutiny Committee in July 2019, the Committee met on the 24th October 2019 and heard evidence from Ward Councillors (who submitted the CCfA request), Local Authority Officers, Whitehouse Primary School personnel, and identified representatives of affected residents. In related matters, the Committee also considered a further progress update in relation to the outstanding recommendation from the review of School Parking (see 'Monitoring' table below).</p> <p>Prior to the Committee meeting, Members took part in visits to the school on the 23rd October 2019 (pm) and 24th October 2019 (am) to gain a greater understanding of the geography in question. During these visits, a number of parents / carers expressed their views on parking issues affecting both the Dunelm Road and Barlborough Avenue sides of the school.</p>
Problems or concerns	None.
Planned next month	Due to the volume of information provided at the 24 th October 2019 meeting, the Committee agreed that it would be beneficial for Members to have time to digest the evidence received before formulating any possible recommendations. As such, this CCfA will be included as an item on the agenda for the next Committee meeting in November 2019.

Monitoring	
Key Issues / Problems or concerns	<p>School Parking During the Committee meeting on the 24th October 2019, Members received a further progress update in relation to the outstanding recommendation from the review of School Parking. A road safety video from Cambridgeshire County Council was shown which has been identified as a potential tool to share with schools - if appropriate a future 'Stockton' video of similar format could be pulled together.</p> <p>The Committee agreed that the video could be a powerful tool in encouraging responsible parking, but deferred the sharing of this resource to enable consideration on using the Cambridgeshire one or commissioning a Stockton version. In light of this and the ongoing CCfA regarding Whitehouse Primary School, the signing-off of the School Parking review Action Plan was delayed until a future Committee meeting.</p> <p>Future progress updates regarding previously completed reviews will be received by the Committee on the following dates:</p> <ul style="list-style-type: none"> • School Parking – TBC (November / December 2019) • Hate Crime – March 2020
Requests for more information	None.
