

Place Select Committee Chair's Update – November 2021

Scrutiny Review – Highways Asset Management (inc. Potholes & Flooding)	
Achieved since last meeting	The final evidence session took place in September and focussed on the key lines of enquiries on funding allocation, options if additional funding was provided, opportunities to 'invest to save', and the highway infrastructure asset priorities moving forward. An informal session was held on 11 October to review the summary of evidence and formulate draft recommendations.
Problems or concerns	None
Planned next month	At the November meeting, the Select Committee will receive a draft of the Final Report for submission to Cabinet.
On track – yes / no	Yes. The review is scheduled to report to Cabinet in December 2021.
