

### Health and Wellbeing Board – Action Tracker

No.	Date of Meeting	Item Description	Action	Responsible	Note/Feedback
1	25-11-15	Learning Disability Fast Track Plan	The Board's concerns about risk/safety, financing of services and consideration of need be fed into the Regional Transformation Board.	CCG – Donna Owens	
2		NHS Five Year Forward View	<p>A review be undertaken of what other preventative activities could be considered to address alcohol related harms, or what existing services could be strengthened.</p> <p>The Adults Health and Wellbeing Joint Commissioning Group be tasked to consider which preventative measures should be considered for further development and how they could be commissioned, including review of existing services to identify any potential services that could allow a reallocation of funding.</p>	SBC – Public Health CCG – Andy Copland	
3	24 -2- 16	Performance Update	School level data, relating to take up of the Childhood Flu Programme be provided to the DCS.	SBC - Peter Acheson	NHS England has indicated that this data is not currently available but it is working on a final report and hope to have confirmed schools data soon. When the data is released it will be circulated.
3			Large community event/engagement, to encourage people to stop smoking be considered.	Adults Health and Wellbeing Partnership	The Partnership has considered this at its meeting in April and further consideration was being given to developing a campaign.

4		Planning Update 2016/2017	Sustainability and Transformation Plan to be a standing item on Board Agendas.	Democratic Services - SBC	Included on Forward Plan as Standing Item. Will be detailed on agendas going forward.
