REPORT TO HEALTH AND WELL BEING BOARD

31 MAY 2017

HEALTH AND WELLBEING UPDATE

SUMMARY

In accordance with previous decisions made by the Board this report provides a brief overview of discussions at meetings associated with the work of the Health and Wellbeing Board.

RECOMMENDATION

That the report and minutes be noted.

DETAIL

Adults' Health and Wellbeing Partnership – 4 April 2017 – Appendix 1

Joint Health and Wellbeing Strategy (JHWS) / Joint Strategic Needs Assessment (JSNA) – Role of the Partnership

1. The Board will recall that it has previously tasked both Partnerships with work associated with the development of the JHWS and JSNA.
2. The Partnership would be working through some JSNA topics, at its next meeting.

Autism Self-Assessment Framework and Joint Health and Social Care Self-Assessment

3. Discussion centred on the Autism SAF and it was noted that findings coming from this were already being addressed by officers.
4. The Partnership will be considering the Autism Action Plan, at its meeting in June.

Adults Health and Wellbeing Commissioning Group – 28 March 2017 – Appendix 2

Commissioning Plan

5. The Commissioning Group continues to develop a table of potential joint commissioning topics, which is driving the forward plan and helping to focus discussion where it was needed, in a timely manner. A similar approach is also being adopted in the Children and Young People's Commissioning Group.

Home Improvement Agency

6. The Group received a report on the Handyman service and agreed it was highly valued by the community.

7. A tender exercise has recently been undertaken and a new provider was now in place.

Carer Service Update

8. The Group received a further update on the Carers' Service and a presentation on the features of an on line Carers' Hub that had been developed.
9. Members agreed that the Hub should have a soft launch and this was planned for June.
10. The Group was particularly keen to ensure that effective arrangements were put in place for those members of the community who did not have access to the internet.

FINANCIAL IMPLICATIONS

11. There are no direct financial implications arising from this report.

LEGAL IMPLICATIONS

12. There are no specific legal implications arising from this report.

RISK ASSESSMENT

13. The risks arising from the production of this report can be categorised as low.

CONSULTATION

14. The content of the report reflects discussion at various Health and Wellbeing related meetings.
