REPORT TO HEALTH AND WELLBEING BOARD

25 OCTOBER 2017

HEALTH AND WELLBEING UPDATE

SUMMARY

To update Health & Wellbeing Board on progress to date with the development of the Autistic Spectrum Disorder Diagnostic pathway.

BACKGROUND

RECOMMENDATION

That the report and minutes be noted.

DETAIL

Children and Young People Partnership – 21 June 2017– Minutes attached at Appendix 1

Information Sharing

1. The Partnership received its first report relating to its objective of resolving information sharing issues that arose amongst partner agencies.
2. Issues identified in this initial report were being looked at by the Council's Information Governance Team, in liaison with similar teams in other agencies.
3. The Partnership would continue to receive information sharing problems with a view to resolving any problems.

Maternal Health – Better Health

4. A presentation was considered relating to the NHS's Better Births review document. It was noted that an action plan was being developed and this would be considered at the Partnership in November.
