Summary

Members are asked to receive a presentations and information in relation to the performance of the health service within the Borough.

Detail

1. In line with all Select Committees, the Committee will be receiving presentations on the performance of the services that come within its thematic remit.
2. Representatives of the following Trusts will be in attendance:
 - NHS Stockton-on-Tees (the PCT)
 - North Tees and Hartlepool NHS Foundation Trust
 - Tees, Esk and Wear Valley NHS Foundation Trust
 - North East Ambulance Service
3. Members will receive a series of short presentations on the following:
 - An overview of the services reporting to the Committee
 - What has/has not been achieved so far this year
 - Emerging issues
4. As requested by the Chair, please find attached a copy of the summary of the Joint Strategic Needs Assessment for the Borough. The JSNA highlights the main health and wellbeing priorities for the Borough. Members should find this useful to 'set the scene' and links especially to the presentation to be given by NHS Stockton-on-Tees.
