

EIT Review of Fair Access to Care Services (FACS)

Summary

Members are asked to consider the information provided and consider draft recommendations to be included in the draft report.

Detail

1. Members are asked to consider the information provided. Previous reports to the committee have included detailed information on a range of issues. The appendices to this report are designed to provide an updated position where necessary, and also a summary of issues that have been considered at previous meetings. The attached reports are as follows:

Appendix 1 - Summary of issues identified during the review

Appendix 2 - Updated Finance / Data Position

Appendix 3 - Summary of consultation results

Appendix 4 - Updated Legal / Equality Briefing

2. Members are asked to use this information and draft recommendations in order for these to be included in the Committee's draft final report which will be submitted to the meeting of 8 November.
