Efficiency, Improvement & Transformation Review of Mental Health and Learning Disability Services

Summary

Members are asked to consider and agree the draft scope for the review of Mental Health and Learning Disability Services.

Detail

1. At its meeting on 4 January Executive Scrutiny Committee agreed to include the EIT review of Mental Health and Learning Disability Services in the work programme for Health Select Committee.
2. The draft scope is attached to this report for the Committee's consideration and approval. Following approval of the scope, officers will undertake initial work in order to enable the new Committee formed after the election to receive baseline reports at its first meeting.
