

## Appendix 2c – Word Clouds based on the results of the Carer Survey

Thinking about the services provided by the Council for people with learning disabilities in Stockton-on-Tees, what do you think currently works well and not so well?

## Appendix 2c – Word Clouds based on the results of the Carer Survey

Are you aware of any examples of good learning disability services provided elsewhere which you think we should take into account as part of this Review?

## Appendix 2c – Word Clouds based on the results of the Carer Survey

Would you like to tell us anything else about your thoughts/feelings on the services provided for people with learning disabilities in Stockton-on-Tees and how they could be improved for the people who use/receive them?
