EIT Review of Fair Access to Care Services (FACS)

Summary

The Committee are requested to consider the outcomes of the prevention workshop and the potential approaches to consultation that would need to be undertaken as part of any review of FACS criteria.

Detail

1. Members of the Committee were invited to the workshop held at the Education Centre in relation to innovation, efficiency and prevention approaches to adult social care.
2. Officers were also been in attendance and it is suggested that the Committee use the meeting to reflect on how the issues raised impact upon the review of FACS.
3. The meeting will also represent an opportunity for Members to discuss the process of consultation that would need to be undertaken as part of any process related to reviewing the FACS criteria.
