EIT Review of Fair Access to Care Services (FACS)

Summary

The Committee are requested to consider an update on the proposed consultation process.

Detail

1. Members are aware that as part of the review of FACS, there will need to be a comprehensive consultation process. The consultation process will need to be of a minimum 3-month period.
2. In order to prepare for the consultation the officer project team has been meeting to develop a range of approaches to the process. The Committee has previously considered the consultation plan and draft documents, and a verbal update on preparations will be provided at the meeting.
